"is the medical quackery inside organized medicine as represented by the American Medical Association."

I live with it every day. Those who insist on daring to play with anti-Mormon fire are guaranteed to be burned and those willing to ingest the poison are likely to have their spirits killed.

Chairs signifying that the 'fallen comrades' would not be joining us at this commemorative occasion.

Any woman with a family history of muscular dystrophy should consider genetic counseling to discuss the probability of having an affected child.

Marijuana, although unfairly classified as a schedule 1 drug like heroin and cocaine, doesn't cause death.

They fit perfectly and hide along the inner edge.
